

The Challenge of Prayer: Does It Have To Be So Hard?

A life of prayer can sometimes seem like an endless uphill climb.

Sound familiar?

Spend a day learning how to read Scripture prayerfully.

Lectio Divina is a four step process that everyone can learn and personally use to encounter Christ.

One person using this approach to Scripture reflects: "**Until I discovered lectio divina, my daily practice of prayer took twice as much effort. Now, for many years, I look forward to the time for prayer, and experience not only a greater facility in praying but much greater liberty of spirit.**" Treat yourself to a day of quietly encountering Christ.
